Assistance for Hurst Green NP: Economy, Business & Tourism task group

Dear Mr Rallings,

As our Neighbourhood Planning Liaison Consultant, I am writing to ask for your kind assistance in helping us obtaining some information on behalf of the Hurst Green Neighbourhood Plan, specifically for use by our Economy, Business & Tourism task group.

The task group are particularly keen to understand who all of the local business stakeholders are who operate within the parish of Hurst Green.

We believe the District Council may have this information (perhaps via information gained from business rates or provided by East Sussex County Council) or could assist us in obtaining it.

Ideally we are looking for a spreadsheet that contains 1) each business name and 2) their business address. If the District Council were able to provide additional information, such as the business type, then I am sure this would be very helpful and gratefully received.

Thank you in advance for your time and support, as always please don't hesitate to contact us to discuss this request further.

Yours sincerely,

Andrew Brown
